Advising

We are here to answer your questions about course registration, degree requirements and more!

Following recommendations for social distancing in light of the coronavirus and COVID-19, we will offer remote advising in lieu of in-person advising for the time being. We are available for remote advising through email, phone, or Google Hangouts, so please reach out with questions.

Undergraduate Advising

Email: amathadv@uw.edu
Location: LEW 202-203
Phone: 206-543-5493

Note: Admissions & Advising for ACMS, a separate undergraduate program, is through the Mathematics Department in Padelford C-36

Help Via Email

For questions that can be answered over email, you can email us at amathadv@uw.edu. Emails are answered within 1-2 business days. Be sure to include your student ID number. Please use email for:

- Course registration questions that are not answered on our website
- Questions about the application or admissions process
- Questions about a minor
- Questions about a specific class
- Registration for a course you have permission to add
- Issues with your degree audit

*We encourage you to read through this page before emailing us as it may answer your question!*

Advising Appointment for Undergrads

If you have read through program and admission information, but still have follow up questions, you may schedule an appointment here. (LEW 203). **Until further notice, these appointments will be held remotely. Please indicate in your appointment notes your preferred method of contact: phone, Zoom, etc.**

Drop-In Advising for Undergrads

Have a quick question? Stop by for a 5-10 minute drop-in meeting.

Please see availability below. Check back for updates.
