Advising

Following recommendations for social distancing in light of the coronavirus and COVID-19, we will offer remote advising in lieu of in-person advising through autumn quarter. We are available for remote advising through email, phone, Zoom, or Google Hangouts, so please reach out with questions.

*** Special note regarding Autumn 2020 Registration***

Students in the Amath & CFRM majors have priority registration for our courses. Other students will have to wait for registration period 2 before attempting to add our courses. WE ARE NOT DISTRIBUTING ADD CODES. Subscribe to seat availability notifications to attempt to gain a spot if/when one opens.
