Journals & Preprint Servers

Some links to journals & preprint servers in numerical analysis and/or scientific computing

Journals on line:

- Electronic journals via UW library – Math journals
- JSTOR Journal Storage — older volumes of many journals, including SIAM journals
- SIAM Journals on-line
  - SIAM J. Numerical Analysis
  - SIAM J. Scientific Computing
  - SIAM Review
- Acta Numerica
- Mathematics of Computation
- Numerische Mathematik
- Journal of Computational Physics
- IMA Journal of Numerical Analysis
- International Journal for Numerical Methods in Engineering
- International Journal for Numerical Methods in Fluids
- BIT Numerical Mathematics

Search the literature:

- Citation Index
- MathSciNet — Math Reviews
  - AMS e-math
- Zentralblatt MATH
- CiteSeer, NEC Research Index

Preprints:

- Conservation law preprint server
- arXiv e-print server
  - Numerical analysis

Department of Applied Mathematics
University of Washington
Lewis Hall 201
Box 353925
