2020 Applied Mathematics Graduation Celebration

Submitted by Lauren D. Lederer on May 5, 2020 - 10:11am

The Applied Mathematics departmental graduation celebration is changing for academic year 2019-2020. While we cannot hold the event in person this year, we want to recognize our graduating masters and doctoral students and celebrate their achievements in an online event. We hope grad students and their guests will celebrate with us! To learn more about the departmental celebration, visit our event page.
